THE POET IN THE CITY. The post spoof in the somber town And spake to his heart, and said: "th! weary prison, devised by man! Oh! seasonless place, and dead?"

His heart was said, for afar he heard The sound of the Spring s light trend. if ethought he saw in the pearly East The pale March sun arise,

The happy housewife beneath the thatch, With hand above her eyes, Look our to the cawing rooks, that built

So near to the quiet skies. Out of the smake, and noise and sin, The heart of the Poet cried : Oh ! God, but to be Thy inhorer there. On the gentle bill's green side ! To leave the struggle of want and wealth,

And the buttle of lust and price? He beat his ear, and he heard afar The growing of tender things, And his heart broke forth with the traval)

And shook with the tremulous wings

Of sweet birds that have never known The dirge of the city's sins. And later, when all the earth was green As the Garden of the Lord. Primroses opening their innocent face Cowslips scattered abroad, Bluebills minicking summer skies.

And the song of the thrush outpoured-The changeless days were so sad to him That the Poet's heart beat strong. And he struggled assume poor caged lack And he cried : "How long ! How long! have missed a Spring I can never see. And the singing of birds is gone ! But when the time of roses came.

And the nightengule hushed her tog. Went quietly on his way-A power Post by just one Spring. And a richer man by suffering. C. C. France Tytler in Speciator

THE CAPTAIN'S LAST LOVE.

BY WILKIE COLLINS

sesses a sufficient income, and he has !

turned his back on me as if I had m rning me this extraordinary answer: 'Miss, tance a glorious green island, not creatly received with bodies that ated man had set foot on the shores noitering with a small detachment. tak I hate the sight of the sea !"
